Seniors . . . After Four Happy Years

Class History

ning in 1950,
greenies, en-
It took quite

following officers: Steve McGanka—President, Gerald Hawk—Vice President, Dixie Given—Secretary, Robert Fetsik—Treasurer.

Our activities were numerous that year raising money for the prom. We held skating parties, sold magazine subscriptions, sold Christmas nuts, held dances etc.

At last! Now we are Seniors! After another vacation of three months, we eagerly met and elected the following officers: Steve McGanka—President, Robert Hunter—Vice President, Dixie Given—Secretary, Robert Fetsik—Treasurer.

Various committees were appointed to help get our business underway. We ordered our class rings and eagerly awaited their arrival. We received our name cards in November and December. All seniors are selling candy to help finance the class year book. We have decided, that if a substantial amount of money is raised, in excess to the cost of the year book, we would take a trip to Washington, D. C.

We are now eagerly looking forward to our day of graduation.

Juniors . . .

with just one more year to go

The results of the junior voting were announced a few days after the regular election was held in the auditorium. The following officers were elected:

President Larry Howie
 Secretary Jean Rankin
 Treasurer Andrew Labosky
 Vice President Edward Kleitches

The year began with one goal in mind—to finance the Junior-Senior Prom. Our first planned event was a skating party at Skateland. Before Christmas we were successful on the sale of nuts. Another skating party was held in February, and later in the spring the annual "Korny Kapers" was presented by the class. This ended our fund-raising campaign. Then came the big event of the year—the Prom. It was hard work, but fun, and we're looking forward to another happy, successful year.

The Class Advisors are—Mrs. Lentz, Miss Saula, Mr. Fesko, Mr. Wertz. We would like to thank them for their help in making our activities a success.

Sophomore Class History

We began high school last year with the usual confusion and eagerness of freshmen. After the boys and the Y-Teens had heroically gone through initiation and we were all acquainted, we elected class officers. Larry Boring—President, Bernard Kenjesky—Vice President, Marlene Melillo—Treasurer, Barbara Proko—Secretary.

The home room representatives were Larry Boring, Helen Daniels, and Harriet Carl from Miss Krueger's room; Bob Kalinyak, Marion Howarth, and Rita Orlesky from Mrs. Babyak's room; and Patty Pavlick, Walter Trahanovsky, and Bill Yingling from Miss Trahanovsky's room.

Our activities included three dances and a party, all held in the gym, a skating party at Skateland, and a weiner roast at Park Hill.

Vacation whizzed by and before we knew it we were beginning our sophomore year. The class officers we elected were: Thomas Goldie—President, Larry Boring—Vice President, Patty Pavlick—Treasurer, Marlene Melillo—Secretary.

The home room representatives were Thomas David Hagerich, and Helen Daniels from Miss Dawson's room; Walter Trahanovsky, Joann Rolish, and Bill Turner from Mr. Yewcic's room; and Marlene Melillo, Bernard Kenjesky, and June Marsh from Mr. Reighard's room.

We have sold chances on a guess cake and held a dance in the gym. Before the year is through we will hold more dances, a skating party, and sell magazine subscriptions. We hope these activities will build up our funds for our big goal—The Prom next year.

The Class Advisors were Miss Dawson, Mr. Reighard, Mr. Yewcic.

Freshmen

We are the "greenies" as upper classmen rightfully call us. We were confronted with new schedules, new classmates, and a number of new teachers. We were so numerous that we occupied four home rooms. The most confusing thing about our new surroundings was to get to the right classroom on time. However, when we became bewildered we soon learned to rely on our principal, Mr. Meckley to help us solve our problems. We greatly enjoyed the few social activities we had during the year.

Our sponsors are: Mrs. Babyak, Miss Krueger, Miss Trohanovsky, and Mr. Slavich.

strike up the band

It was a warm September afternoon when one-hundred and one pairs of tired feet came to a halt on the dusty ground of the tennis court. The order "dismissed" was shouted and the members of the High School Band retired for the day. It was the first day of drilling and practicing for the oncoming football season. As the weeks "flew" by, we played at every game, performed at the Cambria County Fair; and of course, we had rehearsal every day after school.

Our objective for the year was to raise money to buy a jacket for each senior band member. We made money by chancing off a portable radio. We sponsored a Valentine Dance and a King and Queen of Hearts were crowned.

On Patrons' Night each senior member of the band was given the privilege of conducting a number.

Our work paid in extra dividends because we were selected the second best high school band in Cambria County.

Pep Band

When the time came for our pep meetings to help lead our football team to victory, something new was added—a "Pep Band."

The main purpose for this organization was to supply the music for our pep meetings in the auditorium.

Under the direction of Mr. Singel, the band had a very successful year. We sincerely hope that the beginning of such an organization will convince the students that such a band is a "must" for good pep rallies and that it will be continued and improved upon, year after year.

Junior High Band

The "Pee Wees" of our musical groups is the Junior High Band. They are very much interested in music and the pupils wanted to get in on the ground floor so that when the time came for them to move up, they would be better than just an average musician. They reported regularly for practice and by their faithfulness in attending rehearsals are now certain that fewer sour notes will be heard by audiences in years to come. Our school is happy to know that our junior group is active.

Chorus

Schedules permit senior high students to elect participation to a choral group. We are very proud of our group this year. Under the direction of Mr. Singel, the chorus gave a number of beautiful selections at our Christmas assembly, when they made their debut. Other performances include appearance on Patron's Night, Easter Assembly, and finally, Commencement.

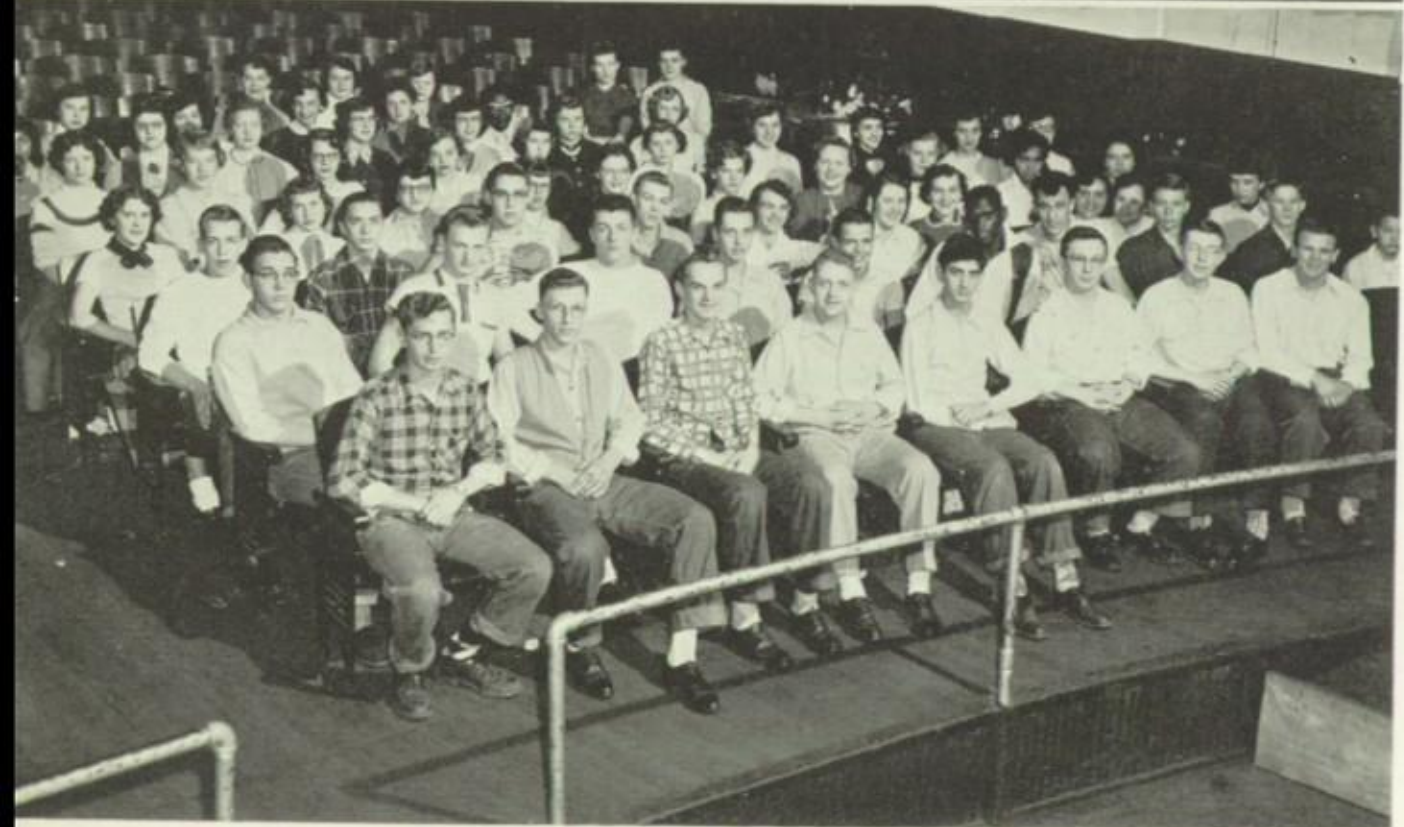

Soloists for the chorus include: Cecilia Bilski, Audrey Ciupak, Frances Killinger, and Roosevelt Charles.

Seventy students participated in our Choral group this year.

County Members

We have had the good fortune to place nine of our students in the All-County Chorus. These students gave a good account of their talents with other members of the chorus who were selected from all high schools of the county. The public performance was at the Adams Twp. High School Auditorium.

Dramatics curtain going up

The fifty members of the Junior Dramatics Class were instructed by Miss Krueger.

The first assignment of this group was the task of comprehending the history of drama. Under this phase of dramatic training, the students enjoyed studying Greek Religious ceremonies etc. However, the primary purpose of this class was to receive an introduction to the fundamentals to future Senior dramatic activities. Such fundamentals that had to be mastered were: learning to portray emotions, characterize age, voice control etc.

We are certain that with such background, the Senior Class Play in 1955, will be a great success.

The thirty-three members of the Senior Dramatics Class were instructed by Miss Krueger.

The first part of the year the students presented skits. One of the skits was an original, entitled "After the Game Was Over." After this they learned to put on a one-act play.

The Senior Class Play followed. Six weeks of tiring practice was necessary in order to put the play over as precisely as the cast did. A prologue, three acts, and an epilogue were required for this play entitled "Turn Back The Clock." The performers in the cast portrayed their parts excellently.

Home Room Representatives

DEMOCRACY IN ACTION . . . Each year, along with our regular election procedures for class officers, pupils in home rooms ballot for representatives. These representatives which number three to a room; serve throughout the school year as room congressmen. These congressmen voice the opinion of the home room when it comes to deciding future plans or policy in relation to their class affairs. In other duties relative to class affairs, these representatives

cater to their home room groups. Their voice in class matters generally reflect the opinion of their group. The importance of these congressmen are stressed before elections are held in the hope that the best candidates are the ones selected to guide the class during the year. This procedure of government is democracy in action and our school is striving to make good citizens out of its boys and girls, through all forms of organizations.

Football . . .

our story in print

The Locomotives were formed and prepared by a new coaching staff this year which consisted of Mr. Slavich, head coach, Mr. Adams and Mr. Yewcic, co-assistants.

The coaches conditioned the boys to the best of their ability in many strenuous practice sessions. The work wasn't easy, but it had its reward, for the Horses ate their oats before leaving for the Point Stadium on September 13, where they demolished the Red Devils from Ebensburg, 20-14. The boys as well as the fans were very enthusiastic, and visualized a great season for the club, for the Red Devils were the Western Conference Champions from the previous year.

However, the tide turned when the Iron Steeds ran into Shade Township at the Point Stadium by a score of 25-0. The Steeds were derailed for the second straight time after traveling to Boswell, by a score of 26-20. Tragic losses continued for the next two weeks to Fern-dale and Adams Township 37-18, and 32-0 respectively.

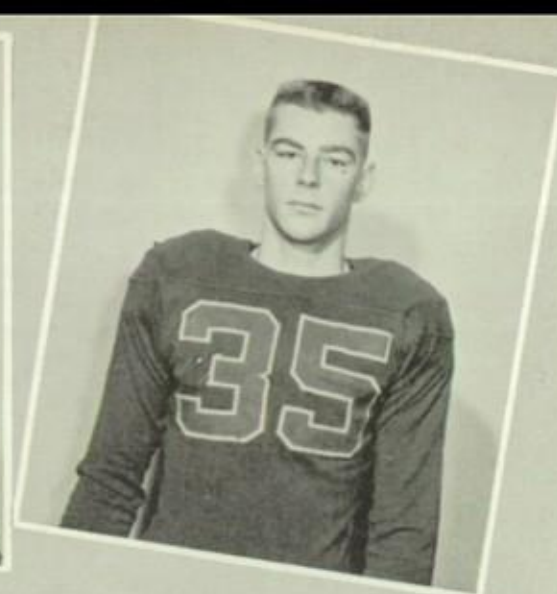

Then came the big game, the one everyone was waiting to see, Franklin! The steeds were really up for this game. It meant everything to them. Could they still defeat their "rivals from across the bridge?" On the eventful day the spectators saw the Steeds at their best. The boys showed that they still had a fighting spirit by downing the Blue Jays in a bruising battle 14-13.

In the final two games the Steeds lost all hope of any conference recognition by two losses, one to Catholic 7-0, and the other to Portage 6-0. Then the steeds put the pigskin away until next season.

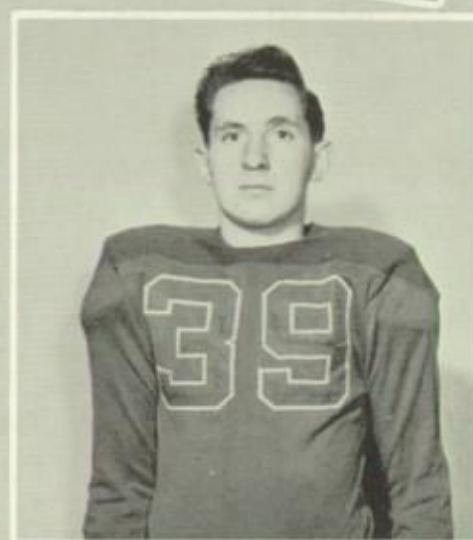

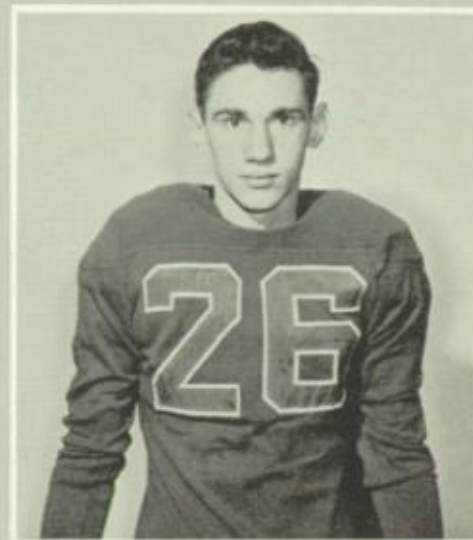

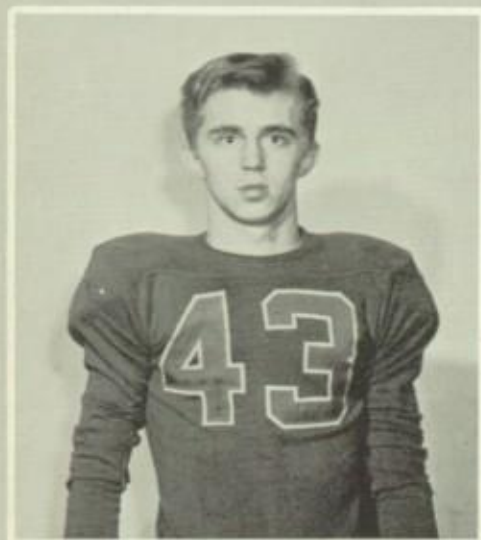

However, we must not fail to give credit to the spirit and loyalty of the fighting senior members of the team.

Ronald Sidor was always a hard worker, full of pep, and with the determination to win. He won a position on the All-Scholastic Football team, as determined by the Johnstown Tribune. Jack Haughawout, a good ball carrier and very good defensively. The same can be said of John Yuhas. Kenneth Yingling, Ronald Wainwright, William Mauk, Robert McCann, and Gerald Hawk, all linemen, varying in size and abilities, but nevertheless they were in there fighting win or lose. Richard Modic and Hayward Haywood were two speedy "backs" and good pass receivers. Frank Hauser, also a good "back" substituted in many games. Ted Mandrick and Robert Fetsik who delighted in pass catching and in spilling runners also deserve the laurels of the game. The last but not the least of the seniors is Ralph Jones, the general of the team. He made many passes connect. A fine plunging back, speedy, and a sure tackler. His hard playing will always be remembered.

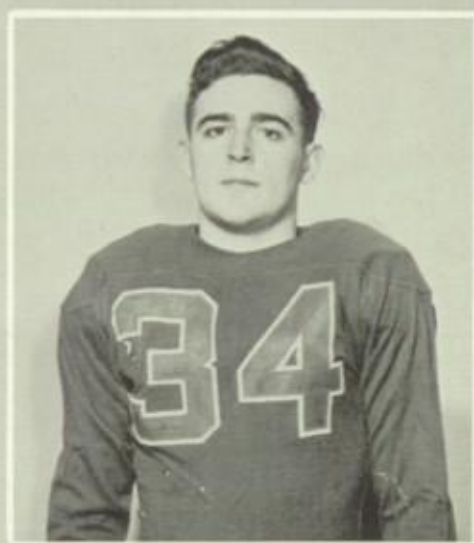

Best wishes to our boys in years to come.

HORSES GO TO DISTRICT VI P.I.A.A. SEMI-FINALS

Guiding our basketball team this year was Mr. Yewcic. There were ten boys on the varsity team, eight of which were seniors.

The first team was made up of Robert Fetsik, forward; Ted Mandrick, center; John Yuhas and Ronald Sidor, guards.

Conemaugh won the West Central League title for the second consecutive year. The Horses have taken the league banner seven times in the past nine years.

This year we lose eight seniors by graduation. One letterman will be returning for next year's competition.

Of the twenty-five games played sixteen were in the win column while nine were in the lost column. One of these losses was to Johnstown in the district elimination.

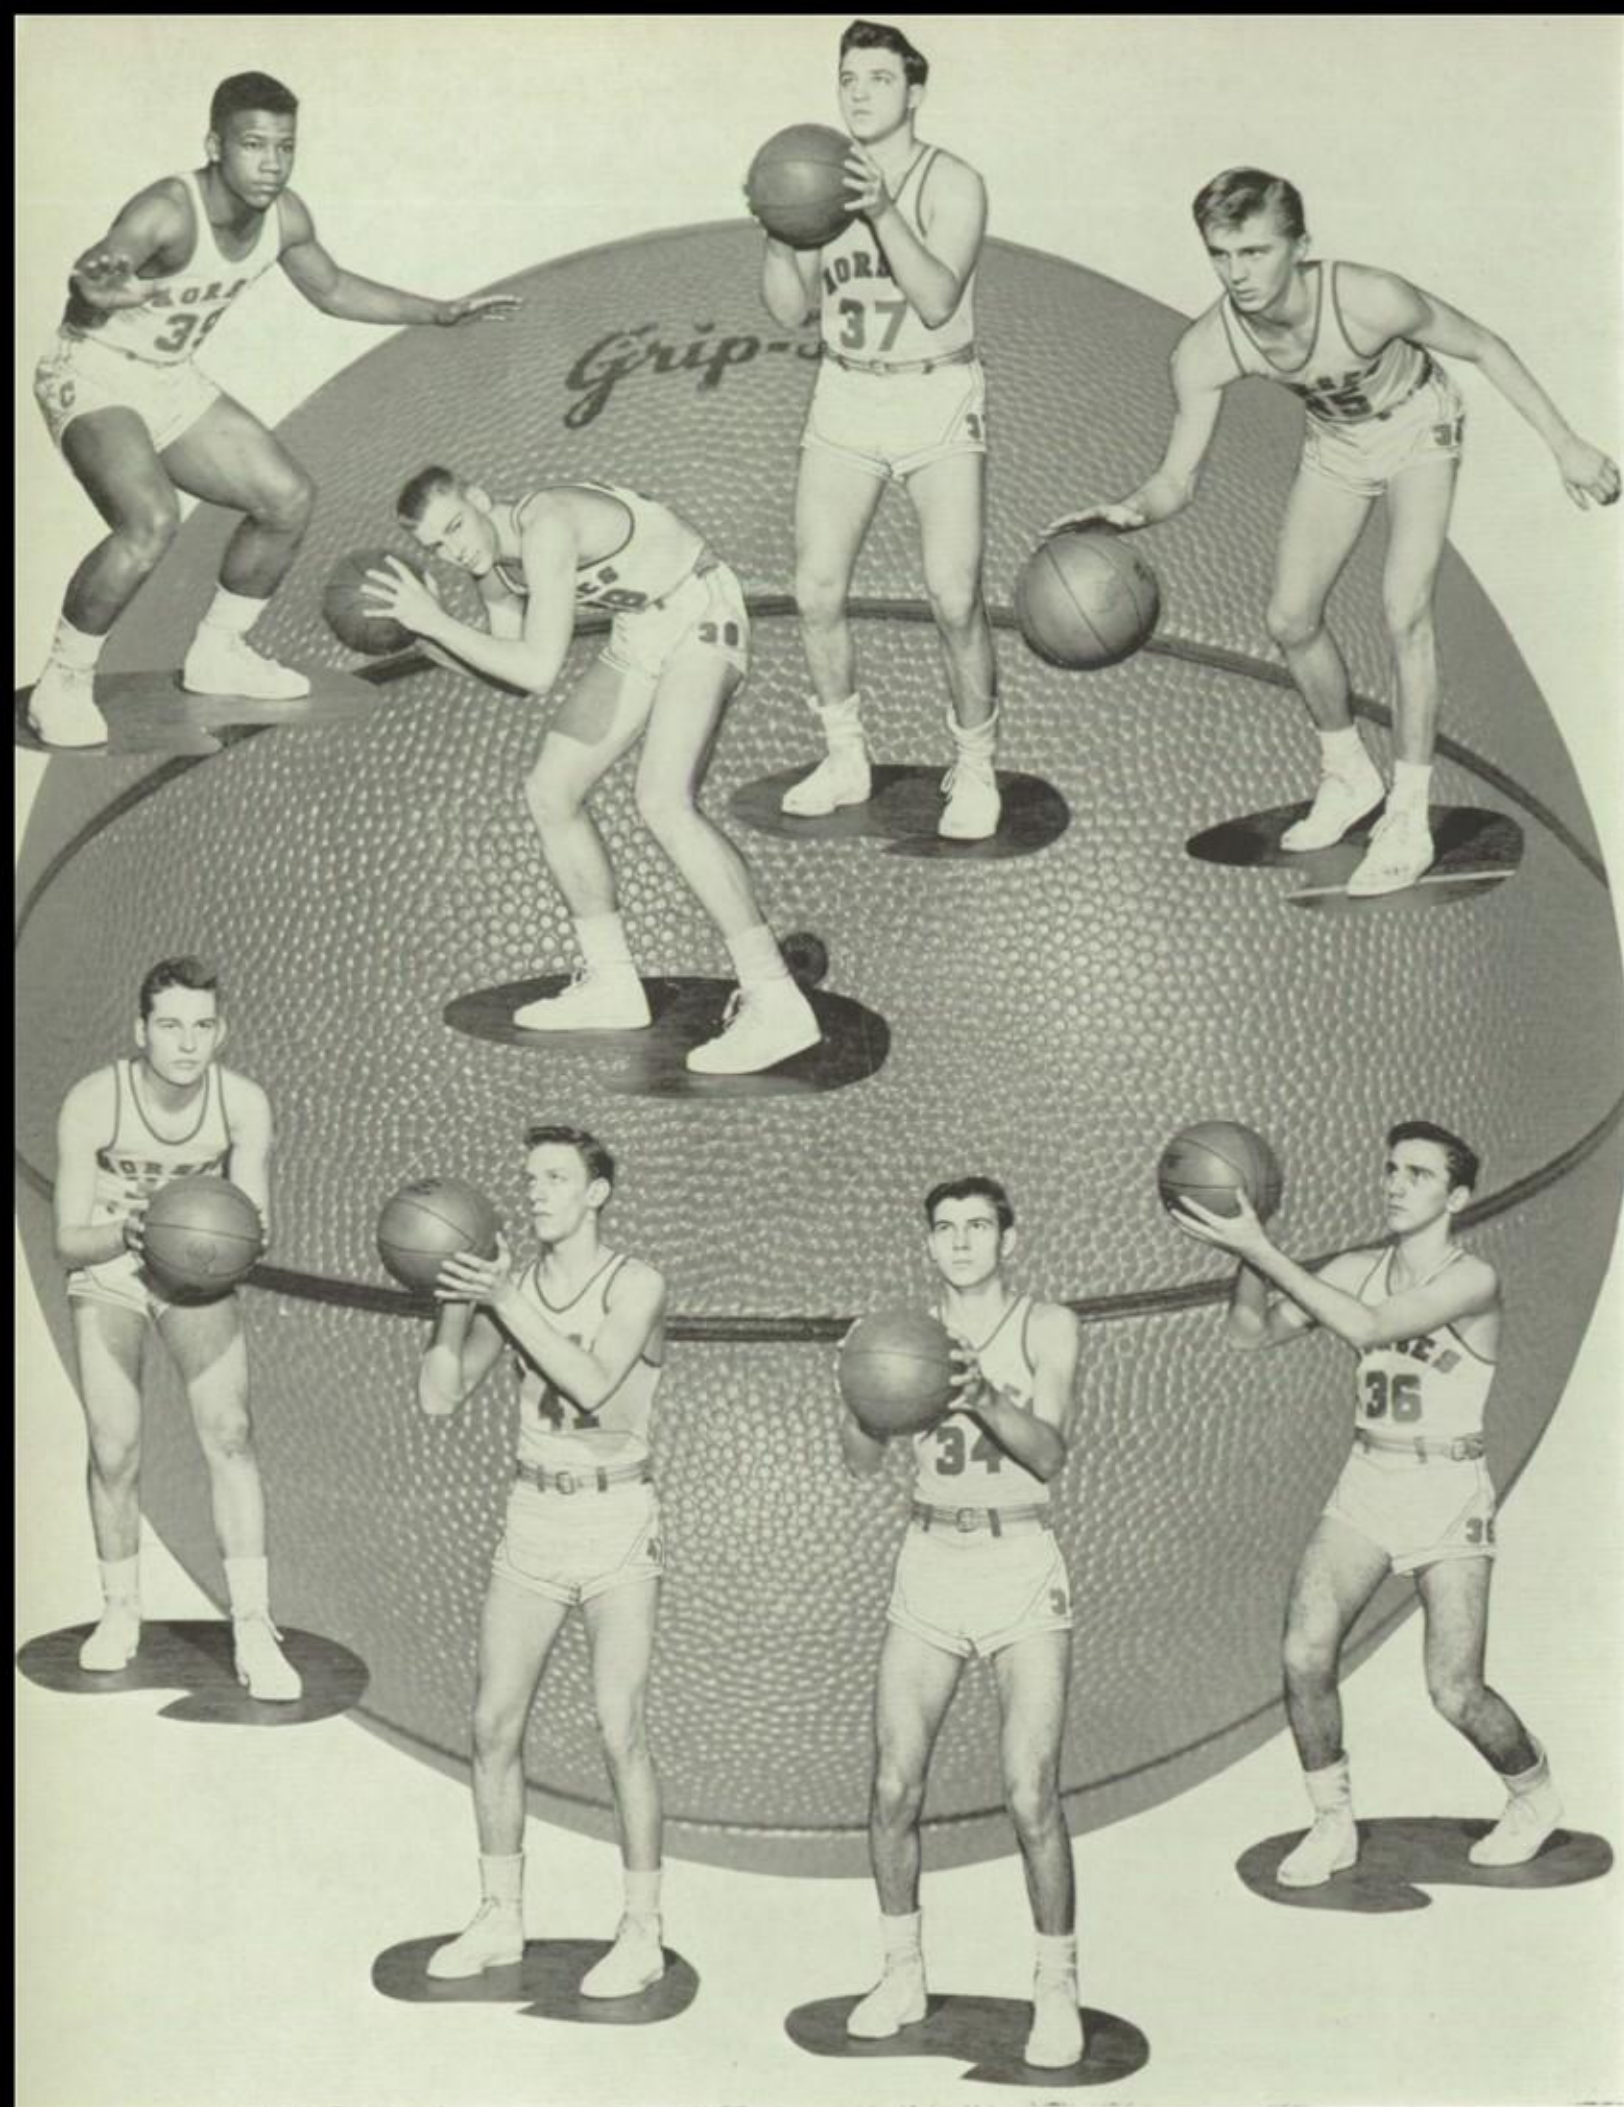

CONGRATULATIONS, BOYS, FOR A GOOD SEASON!

The Champs

Bruce Fetterman—A first string forward for three seasons, tallied 431 points. Bruce was high scorer for Conemaugh this year.

Ronald Sidor—Played guard the last two years, excelled offensively in passing the ball to a teammate to score, also a very good shot.

Robert Fetsik—He was valuable under the basket, got many rebounds and points while playing regularly for two seasons.

John Yuhas—Speed and defensive ability overlooked his lack of height. He scored many points with his one hand push-shot.

Ted Mandrick—Used his height well and got many rebounds while playing the center. He passed often for fellow teammates to score.

Frank Hauser—Used his height and got many rebounds while playing often during his senior year.

Roger Howie—Seeing action in ten games he was very valuable in passing to a teammate for a score.

Ralph Jones—Seeing action in ten games he was very valuable as an outside shot.

Junior Varsity Basketball

The Junior Varsity had one of its best seasons in many a year. They won 19 games and lost only 4. Mr. Adams was their coach. Next year many of these boys will move up to varsity positions. The first team was composed of Alvin Jones, Bill Fetsik, Moses Gray, Jim Johnson, and Jim Roberts. Others that got into the action were Jim Kenjesky, Don Holtz, Tom Faight, Dick Krable and Bill Roberts. Congratulations for a fine season, and for capturing the West Central J. V. League Championship.

Junior High Basketball

Our Junior High team was coached by Mr. Slavich. They won only one game this year, but were playing hard at all times.

One must remember that a junior high player is first to be introduced to the game. He must be taught to play correctly and to improve himself each year so that when he becomes a freshman or sophomore he is ready for the Junior Varsity.

Class Prophecy

May 12, 1964

Dear Cecilia,

It was so nice to hear from you again! I was glad to find out that you have finally become a mortician. I still remember that was your ambition when we were pals at good old C. H. S. Congratulations!

Do you realize that we've been out of school for ten years? Our old school chums are now scattered all over the world. I've spent some time finding out what they're doing, and I know you will be interested in hearing about them; so here goes.

I have finally become the owner of the largest modeling school in New York. My star models are none other than **Betty Colbert** and **Mary Lou Belsky**.

Last month I attended the World's Championship Fight at Madison Square Garden, starring **Ralph Jones**. Seated behind me were **Ron Sidor** and **Jack Haughawout**, who are now the football stars at Michigan State. We chatted awhile, and they informed me that **Dick Modic** is now operating the nation's largest coal mine. His helpers are **Ed Ziemba**, **Merle Erwin**, and **Bob Ellenberger**.

After the fight I stopped in at the La Roma, a fabulous night club, owned by **Barbara Dolgos**. **Bert Waligora** and his orchestra, with singers **Mike Yakemik** and **Delores McBlaine**, and

with dancers **Joan Ziemba** and **Mary Hamula** are featured here nightly.

Audrey Ciupak and **Jean Haywood** are now appearing with **Julius La Rosa** on his T-V show.

Dixie Given and **Edna Moses** have obtained secretarial jobs for the J. D. Rockefeller Company.

Joan Hajduk is at present the assistant manager in New Jersey's Bell Telephone Company and employed here are **Grace Yingling** and **Helen Paziak**.

A few weeks ago **Steve McGanka**, a prosperous lawyer, took a trip to Washington, D. C. to visit Congressmen, **Bob Hunter**, **George Kulback**, and **Roger Howie**.

Guess who plays for the Harlem Globetrotters? Yes, none other than **Bruce Fetterman**, **Bob Fetsik**, and **Ted Mandrick**. They can really play basketball!

Ernie Shaffer is now well-known for his auto racing at the Annapolis Speedway. His auto mechanics are **Dave Sheldon**, **George Anthony**, and **Bill Markley**. **Gary Hagerich** and **Charles Cusick** announce all the racing events over their own radio station, GHCC.

I read in the newspaper last week that **Jim Allison** and **Tom Chockran** have struck oil down south in Texas.

Class Prophecy

Speaking of the south, **Diane Pudliner** operates a flower shop in Miami, Florida. Here also is the large super market of **Anita Boothby**, **Peggy Hornick**, and **Evelyn Rager**. Housewives **Carol Ford**, **Earlene Keiper**, and **Elsie Lee Younkin** do most of their shopping here.

In Arizona, we find nurses **Donna Fisher**, **Emma Beard**, **Phyllis Daugherty** and **Senie Hill**, under the supervision of **Nancy Pencola**, the head nurse. The chief surgeon at the same hospital is **Ann Kovalcik**.

Last week I flew to California to spend a few days. I happened to see **Anna Daley**, the owner of a gigantic sewing factory. Included among her hundreds of employees were **Delores Roman**, **Dorothy Mikulik**, **Betty Savlan** and **Beverly Miller**. Here I learned that **Gerald Hawk** and **Hayward Haywood** have received a six year contract with Martin and Lewis.

In Hollywood, **Nancy Gleason** and **Barbara Haupt** are the producers of that famed television program "Midnight Theatre." **Frank Hauser** won the Oscar for this year in his dramatic role in "Horror in the Night."

While I was in California, I spent a day at the beach. Relaxing there were business men **Ken Yingling** and **Ray Markiewicz**, who had just completed a trip around the world. They told me that **Vaughn Courter** owns a chain of gas stations, extending throughout the United States. His manager is **George Kasic**. They also said, while they were in England, that **Margie Novotny** had broken the record for swimming the English Channel. Can you imagine that?

While in Paris, these boys saw **Elaine Ma-**

kuchan, **Mary Jenkins** and **Jean Rorabaugh**, who are famous for that wonderful smelling perfume, "Madame Jeanne." Also in Paris is the beauty parlor of **Alice Daniels**. Her assistants are **Thelma Hall** and **Ann Berzinsky**.

While we were there talking along came **John Yuhas**, captain of the S. S. Catella, with his co-captain **Bob McCann**. They informed us that they were going to sail far out on the ocean the next morning. On board with them were to be two pearl divers, **Bill Mauk** and **Ronnie Witkovskie** who are becoming quite wealthy. They would like to find enough pearls, so they could be wealthier than **Don** and **Ron Grata**, the owners of the largest diamond mine in Africa.

Since you are so fond of hunting, I thought I'd inform you that **Joe Sliss** and **George Hamula** are on a dangerous hunting expedition in Zanzibar. They are really some hunters, and maybe they'll even become as famous as Frank Buck.

In Virginia, **Ron Wainwright** is raising livestock, on a farm of his own. When they are ready for market, he ships them to **Mike Stanislawczyk** and **Alex Wapenski**, who own a huge slaughter house.

Deyane Rudge is now a great fisherman. He owns a number of schooners and he is making a lot of money by fishing off the coast of Labrador.

Oh, I mustn't forget **Dan Bilak's** famous flea circus! This boy is really going places!

Well, I guess that's about all the news I have about our old classmates. I hope you've enjoyed hearing about them.

Always a friend,
Sophie
